#### Conveyance of Mineral Interests in California

**AGENCY:** Bureau of Land Management,  
 Interior.

**ACTION:** Notice of segregation.

**SUMMARY:** The private land described in  
 this notice, aggregating 319.84 acres, is  
 segregated and made unavailable for  
 filings under the general mining laws  
 and the mineral leasing laws to  
 determine its suitability for conveyance  
 of the reserved mineral interest  
 pursuant to section 209 of the Federal  
 Land Policy and Management Act of  
 October 21, 1976.

The mineral interests will be  
 conveyed in whole or in part upon  
 favorable mineral examination. The  
 purpose is to allow consolidation of  
 surface and subsurface of minerals  
 ownership where there are no known

mineral values or in those instances  
 where the reservation interferes with or  
 precludes appropriate nonmineral  
 development and such development is a  
 more beneficial use of the land than the  
 mineral development.
